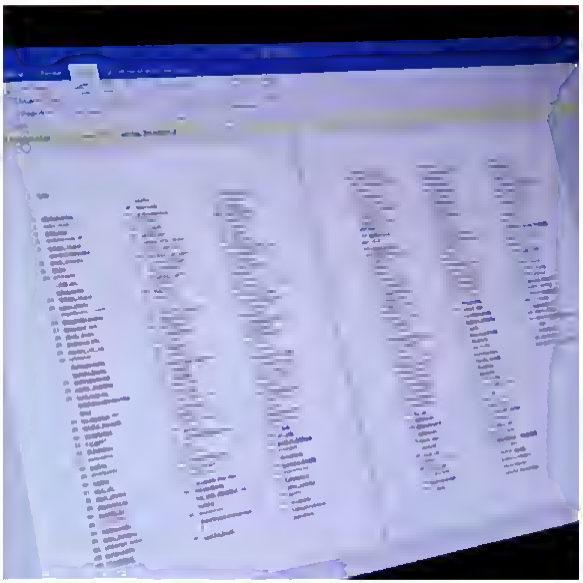
Giveaway Results!

Before I reveal the results
lemme explain first:

Alrighty, so this is how the
winners were selected.



Everyone was put on to the list
ONE TIME. So that regardless of
how many submissions you submitted,

EVERYONE GOT A FAIR CHANCE.
(REGARDLESS OF ARTISTIC SKILL OR PROBABILITY.)

AND THEN I USED A NUMBER GENERATOR TO PICK 20 NUMBERS FROM 1-264

SO WITH THAT BEING SAID.

-DRUMROLL-
